EMPLOYMENT

Work hard and have fun. Join the team at Weber + Thompson, a growing West Coast architecture, interior design and planning firm with a wide range of exciting projects on the boards and a passionate commitment to sustainable design at its core.

Work in a positive, problem-solving environment, and be recognized as one of our most valuable assets with a generous salary and benefits package. Get active with our in-house sustainability research and study group, explore incentives for professional growth, and even join our soccer team! We are currently seeking to fill the following positions:

COMMUNITY DESIGN JOB CAPTAIN

Creative individuals at all levels with background in architecture, landscape architecture or urban design with residential community design experience.

CONSTRUCTION ADMINISTRATOR

Five+ years of architectural construction administration experience working on multifamily or mixed use projects.

JOB CAPTAIN

Five+ years experience in residential, mixed-use, commercial or hospitality.

PROJECT MANAGER

Eight+ years experience in mid- or high-rise residential.

architects wanted

our new headquarters (anticipated LEED™ gold)
