

AGREEMENT FOR SERVICES

_____ ("Architect") and _____ ("Resident")

agree as follows:

1. The Resident has requested and the Architect agrees to visually observe Resident's house for hurricane related damage and to list that damage that Architect visually observes on the attached List.

2. The Resident understands that the Architect agrees to visually observe Resident's house voluntarily and without any expectation of compensation and, in exchange, the Resident agrees that:

a. The Resident will not sue the Architect (or the Architect's employer, its employees or agents) for the services rendered by the Architect;

b. The Resident releases the Architect (and the Architect's employer, its employees and agents) from that liability, if any, that the Architect has or may have arising out of or related to the Architect's visual observation of the Resident's house; and

c. The Resident may use the attached List for purposes of making a claim on the Resident's insurance policy although the Resident understands that the Architect is not required to voluntarily render any additional services to the Resident and if the Architect agrees to perform additional services it may require compensation for such services.
