

Why Partner with AIA Seattle?

As our industry changes and continues to grow, relationships are increasingly important to our survival and prosperity. AIA Seattle's Corporate Allied Partner (CAP) program is specifically focused on supporting the development of strategic relationships between our members and our sponsors.

The benefits of partnership are many. Our members are the decision makers in Seattle architecture responsible for billions of dollars in building investment each year. AIA Seattle's members are individual architects and firms across the Puget Sound region including Mithun, LMN Architects, Olson Kundig Architects, The Miller Hull Partnership, GGLO, Schemata Workshop, Heliotrope Architects, Board & Vellum, and many more.

Exposure

Each year, AIA Seattle produces a diverse calendar of educational programs, exhibits, and networking events which offer unique opportunities to promote your business directly to the local architectural community and the large contingent of other building industry leaders that participate in these events.

Positioning

Demonstrate your leadership in the areas that matter to your business and position your company as a thought-leader and source of trusted information. It is an opportunity to differentiate your firm from your competition with the people who can make a difference in your success.

Relationship-Building

Being a Partner is a cost-effective way to gain access to AIA Seattle members and allied professionals and help develop the key relationships needed for your company to maximize its potential in our ever-more competitive industry.

AIA Seattle Corporate Allied Partners have exclusive opportunities to reach and be recognized by over 2,400 related professionals as leaders in the industry. Take advantage of these opportunities and demonstrate your commitment to a high-quality built environment by becoming a Partner today.

2018 Corporate Allied Partners

Sponsoring AIA Seattle in 2019 will put you in great company!

Become a Corporate Allied Partner

STEP 1

Identify Your Budget

AIA Seattle offers a robust sponsorship program that will help you connect with your audience and facilitate relationship-building that leads to success. Our sponsorship program works within your budget, starting at \$2,000 and up to \$25,000.

STEP 2

Select Your Programs

Select one or more educational program, exhibit, or networking event that you would like to sponsor, and determine the level of benefits you would like to receive for each program.

The diagram illustrates the selection process for Step 2. It shows four separate forms, each representing a different program. Each form has a checkbox on the left and a table of options on the right. Red checkmarks indicate which programs and benefit levels have been selected.

STEP 3

Determine Total Sponsorship

Your program selection(s) will determine your total sponsorship level, giving you organization-wide benefits, which includes deep discounts on targeted advertising, brand visibility, and special access to AIA Seattle members throughout the year.

STEP 4

Return Commitment Form + Logos

Submit your commitment form by mail, email, or online, and send us your updated logos. The commitment form ensures that we have your updated information on file and provides payment options. You can pay with a credit card, check or request an invoice.

The diagram illustrates the submission process for Step 4. It shows two commitment forms, each with a signature line. Below the forms are two logo boxes, each labeled 'LOGO' and marked with a red checkmark.

STEP 5

Get Involved

AIA Seattle will be in touch throughout the year about your program specific benefits. Make sure that you connect with us on LinkedIn, Facebook, Twitter, and Instagram and sign up to receive our enews to receive information on all of the opportunities that we offer.

Skip a step...

If you want to be promoted at all events throughout the year, become a Marquee Sponsor for \$25,000. There is only one available for this level of unique exposure.

You will be recognized on the website and in enews as a Marquee Sponsor and at the \$3,000 level for all other programs and events.

Remember! If you want to be promoted at all events throughout the year, become a **Marquee Sponsor for \$25,000**. (Only one available.)

FAQ

Is this program an event sponsorship or an organization sponsorship?

It's both! When you sponsor an event, you also become an AIA Seattle Corporate Allied Partner. In addition to being recognized at the program(s) you choose from the list, you are also recognized as a sponsor on our website and receive organization-wide benefits.

Why is there a range for sponsor levels and benefits?

Each educational program, exhibit, or networking event has a sponsor amount associated with it. When you choose more than one event to sponsor, you add those amounts together and that adds up to your total sponsorship with AIA Seattle.

I have products I would like to market to architects. Does AIA Seattle have a trade show?

We do not have a trade show, but \$3,000+ sponsors are welcome to display products via a display table at the educational program that you are sponsoring.

I have a Continuing Education class or product/service demonstration I'd like to present to architects. Is this a sponsorship benefit?

Presenting is not a sponsorship benefit. However, sponsors are welcome to propose new continuing education programs. Priority is given to programs that complement the ongoing work of member committees, forum planning task forces, and our non-profit partnerships. In general, product-focused lunch & learns are not hosted at AIA Seattle.

Is there a limit to how many sponsors for each event?

There is no limit to most sponsorship opportunities. The *President's Dinner* and *Getting It Done: The Business of Projects* are the only events that have a limit. The Marquee level is only available for one sponsor.

I'm sponsoring an education and/or award program? Do I get to speak or present at the event?

Sponsoring a program does not guarantee presenting opportunities at the sponsored event. As content experts, sponsors may be invited to join roundtable discussions or volunteer on forum planning task forces. We invite you to actively participate as attendees at all events you sponsor!
