

PAID LEAVE: A BUSINESS DECISION

RETAINING TOP TALENT AND DEVELOPING WOMEN LEADERS

Part two of three discussions on paid family and medical leave, this evening will focus on **HOW TO MANAGE TRANSITIONS** before and after a period of family or medical leave. The evening will start off with a panel discussion of local Architectural and Engineering leaders who will speak to the employer benefits and challenges of providing flexibility around an employee's unique family or medical needs. A round table discussion will follow, with participants sharing personal experiences and strategies for maintaining a career during life transitions.
